

Treatment facility cleaning: what we clean

Walk it with your house manager and tick each room once its routine is agreed.

Program _____ Address _____
Walked by _____ Date _____

Resident bedrooms

- ☐ Furniture tops, sills and headboards dusted
- ☐ Door levers and switches wiped
- ☐ Mirrors cleaned
- ☐ Wastebaskets emptied and floor finished
- ☐ Belongings left exactly as found
- ☐ Done while residents are in programming

Shared restrooms and showers

- ☐ Shower walls, benches and floors free of soap film
- ☐ Drains cleared
- ☐ Grab bars, faucets and flush valves disinfected
- ☐ Toilets, sinks and partitions top to bottom
- ☐ Dispensers filled
- ☐ Floors dried for secure footing

Group and therapy rooms

- ☐ Chairs, tables and door hardware wiped
- ☐ Upholstered seating vacuumed
- ☐ Whiteboards cleaned
- ☐ Tissue stations topped up
- ☐ Family and meditation rooms on the same rotation

Dining room and kitchenette

- ☐ Tables, chairs and counters
- ☐ Sinks, microwaves and refrigerator handles
- ☐ Waste and recycling removed
- ☐ Floor mopped beneath every table

Lobby and counselor offices

- ☐ Entry glass and reception desk
- ☐ Waiting chairs
- ☐ Visitor restroom cleaned and stocked
- ☐ Desks wiped where clear
- ☐ Phones and keyboards
- ☐ Carpets vacuumed

Your protocol

- ☐ Disinfectants and room order chosen by your clinical lead
- ☐ EPA-registered disinfectant left for its label dwell time
- ☐ Terminal clean before the next admission
- ☐ Charts and sign-in logs left untouched
